CIA No. 1276/70
12 August 1970

MEMORANDUM FOR: Arms Control and Disarmament Agency

ATTENTION : Mr. Robert Whipp
Reference Information Center

SUBJECT : CIA Activities Related to Arms Control in FY-1970

REFERENCE : USADA Letter to DCI, 27 July 1970

1. This is in response to Mr. Philip J. Farley's letter to Mr. Helms, dated 27 July 1970, requesting CIA assistance in the preparation of a compilation of all federally-sponsored arms control research initiated, in progress, or completed during fiscal year 1970.

2. With one exception, Rigid Body Techniques in Discrimination (see attached Forms ACDA-2 and ACDA-2/1), this Agency has performed no external research which can be identified as an arms control research activity in the context of the letter. The internal effort which required analysis as well as production of a number of position papers relating to various SALT options has not been included. Also omitted are two external analysis contracts that are brokered and monitored by CIA but funded by ACDA.
